The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Montgomery County 911 Tower Project for Fiscal Year 2026.

The entity to receive funding for this project is Montgomery County, Texas, located at 501 N. Thomson Street 200, Conroe, Texas, 77301.

The funding would be used to provide a radio network tower and related equipment to upgrade the regional 911 emergency communications network.

This project is an appropriate use of taxpayer funds because the region is subject to repeated natural disasters and has experienced rapid population growth. A new tower on the east side of Montgomery County has resulted in a lapse of coverage for 911 responding law enforcement, fire department, and emergency medical service personnel.

The project has a federal nexus because the funding provided is for purposes authorized under section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project and neither does anyone in my family.

Sincerely,

\_\_\_\_\_  
family.
