The Honorable Kay Granger
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Lake Houston Dam Spillway Project in fiscal year 2023.

The entity to receive funding for this project is the City of Houston, located at 901 Bagby Street, Houston, TX 77002.

This project is critical to flood mitigation efforts in my district. The funding would be used for the building of a coffer dam to help accelerate water level reduction in anticipation of and during major rain events. The coffer dam will provide the ability to reduce upstream flooding and mitigate structural damages to the dam in the event of severe weather events.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
