The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Newport Municipal Sanitary Sewer System Rehabilitation Project for fiscal year 2026.

The entity to receive funding for this project is the Newport Municipal Utility District, located at 1501 South Diamondhead Boulevard, Crosby, Texas 77532.

The funding would be used to upgrade the sanitary sewer system and wastewater treatment plant. The project is an appropriate use of taxpayer funds because deficiencies with the current sanitary sewer system are resulting in infiltration and inflow during and after rain events.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dan Crenshaw
Member of Congress
