The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations,  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Woodridge Stormwater Detention Basin Project in fiscal year 2023.

The entity to receive funding for this project is Harris County Flood Control District, located at 9900 Northwest Freeway, Houston, Texas 77092.

This project is critical to flood mitigation efforts in my district. The funding would be used excavate and improve a detention basin, which would remove at least 260 structures from the inundation area, improve drainage in an area prone to flooding, improve public safety, and avoid more costly future disaster recovery efforts.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
