The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole Ranking Member DeLauro:

I am requesting funding for the Drainage Improvements Along the IH-69 Southbound Frontage Road Project for fiscal year 2025.

The entity to receive funding for this project is Montgomery County, located at located at 501 N. Thompson Street 200, Conroe, Texas, 77301.

The funding would be used to develop construction plans and to obtain environmental permits for drainage improvements along a port of a major roadway in my district.

The project is an appropriate use of taxpayer funds because it will help improve evacuation routes in an area subject to repeated flooding. The road that will be upgraded often experiences drainage problems which block the flow of traffic during moderate and extreme storm events.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b) (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dan Crenshaw  
Member of Congress
