Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Sawdust Bridge Elevation Project for fiscal year 2026.

The entity to receive funding for this project is Montgomery County Precinct 3, located at 1130 Pruitt Road, Spring, Texas, 77380.

The funding would be used to raise the Sawdust Bridge over Panther Creek in elevation.

This project is an appropriate use of taxpayer funds because the bridge often becomes impassable to residents and emergency services during flooding events. Elevating this bridge will allow residents and first responders to have uncontrolled access to this area of the community.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133, the Surface Transportation Block Grant Program.

I certify that I have no financial interest in this project and neither does anyone in my family.

Sincerely,

Dan Crenshaw
Member of Congress
