The Honorable Kay Granger
Chairwoman
Committee on Appropriations

Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Ford Road Improvement Project for fiscal year 2024.

The entity to receive funding for this project is Montgomery County, located at 23628 Roberts Road in New Caney, Texas 77357.

The funding would be used for construction of improvements to Ford Road in Montgomery County, including upgrading drainage systems, and improving driver and pedestrian safety in the corridor.

The project is an appropriate use of taxpayer funds because by improving surface transportation and drainage infrastructure, it will help the regional economy and provide flood mitigation benefits, helping to avoid more costly recovery efforts that would otherwise result.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b) (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dan Crenshaw
Member of Congress
