Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Sam Bell Gully Drainage Improvements Project.

The entity to receive funding for this project is the City of Oak Ridge North, located at 27424 Robinson Road, Oak Ridge North, Texas, 77385.

The funding would be used enhance community resiliency and address frequent storm-related flooding impacts to the area.

This project is an appropriate use of taxpayer funds because the community is an area with aging infrastructure that is in urgent need of repair. The project will help the city address future heavy rain events and therefore avoid more costly recovery efforts.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2), Community Development Block Grant Program.

I certify that I have no financial interest in this project and neither does anyone in my family.

Sincerely,

---
