Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Q-130-00-00 Stormwater Detention Basin in Fiscal Year 2027.

The entity to receive funding for this project is the Harris County Flood Control District, located at 9900 Northwest Freeway, in Houston, Texas, zip code 77092.

This funding would be used to support the design and development of construction-ready plans for Phase 1 of the stormwater detention basin.

The project is an appropriate use of taxpayer funds because it is a high-leverage federal investment that reduces disaster costs, protects lives and property, and delivers a strong return by mitigating repetitive flood damage in a known high-risk watershed.

The project has a federal nexus because the funding provided is for purposes authorized by Section 203 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. § 5133), as amended by the Disaster Mitigation Act of 2000.

I certify that I have no financial interest in this project and neither does anyone in my family.

Sincerely,

Dan Crenshaw
Member of Congress
