Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Cypress Oaks North Freeway Stormwater Detention Basin.

The entity to receive funding for this project is the Harris County Water Control Improvement District No. 110, located at 1330 Post Oak Boulevard Suite 2650, Houston, TX, 77056.

The funding would be used to enhance community resiliency and address frequent storm-related flooding impacts to the area.

This project is an appropriate use of taxpayer funds because the community is an area with aging infrastructure that is in urgent need of repair. The detention basin will capture and manage stormwater runoff during extreme rain events, improving public safety, reducing infrastructure damage, and maintaining regional mobility.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2), Community Development Block Grant Program.

I certify that I have no financial interest in this project and neither does anyone in my family.

Sincerely,

Dan Crenshaw
Member of Congress
